DESCRIPTION/OPTIONS: Very nice machine!! Runs and operates beautifully. Only has 988 hours on it. You don't see these machines with the variable angle boom to often! Check out the specs. It has way more reach, it is able to get into tighter spots, and way more than your standard 308. Yes this machine is a US spec. Sold by Milton Cat originally. This machine comes with digging bucket, clean up bucket. Hydraulic thumb. Added counter weight. This machine is a next gen so it comes with those options, including stick stick steer. It has a few auxiliary hydraulic lines on the boom. It has blade, rubber pads on steel tracks that are in good shape. Machine is ready to go! Any questions just ask!
