DESCRIPTION/OPTIONS: The 2020 CAT 305 E2 Open Station is a versatile and robust mini hydraulic excavator, designed for efficiency and performance on a variety of job sites. Powered by a fuel-efficient Cat C2.4 engine, it delivers a reliable 40.2 horsepower, ensuring powerful dig capabilities. Its compact build allows for easy maneuverability in tight spaces, while the open station design provides excellent visibility and operator comfort. The machine's advanced hydraulic system ensures smooth and precise operation, enhancing productivity. With a maximum digging depth of 11.2 feet and a standard tail swing radius, this excavator excels in delivering exceptional performance for both construction and landscaping projects. Durable, reliable, and easy to maintain, the CAT 305 E2 is a trusted partner for demanding tasks.
