Financing available Delivery available Trades welcome The 2019 Kubota KX040-4 Mini Excavator is a versatile powerhouse designed for precision and efficiency on any construction site. With a robust 40.4 horsepower diesel engine, it offers impressive digging capabilities, ideal for landscaping, utility work, or small-scale demolition. The compact design ensures easy maneuverability in tight spaces, while the advanced hydraulic system provides smooth, responsive operation. The spacious, climate-controlled cab enhances operator comfort, featuring an intuitive control layout and excellent visibility. Equipped with an auto-idle feature, it optimizes fuel efficiency, reducing operational costs. The KX040-4 also boasts easy maintenance access, ensuring minimal downtime. Whether tackling tough terrain or delicate tasks, this mini excavator delivers reliability and performance in a compact package.
