DESCRIPTION/OPTIONS: Runs and operates great. Two speed. 984 hours on it. Adjustable track width. Digging bucket. Aux hydraulic. Tracks are good. Financing available Delivery available Trades welcome The 2021 Kubota U17 is a compact yet robust mini excavator, perfect for navigating tight spaces with ease. Equipped with a reliable 17-horsepower engine, this powerhouse delivers impressive performance and efficiency. Its compact design ensures minimal tail swing, allowing for seamless operation in confined areas without compromising on stability. The U17 features a user-friendly control layout, enhancing operator comfort and precision. With a maximum digging depth of 7 feet 7 inches, it excels in small to medium-sized projects, making it ideal for landscaping, construction, and utility work. The durable tracks and superior maneuverability further enhance its capability, ensuring the Kubota U17 remains a trusted ally for professionals seeking reliability and versatility in a compact package.
