DESCRIPTION/OPTIONS: Runs and operates as it's suppose to. 73hp Deutz diesel engine. Brand new rubber tracks. 17k pound machine. Digging bucket. Hydraulic thumb. Machine has a couple leaks on the cylinders. Plenty of life left in it. Hour Meter doesn't work but previous owner said about 3000 hours on the machine. Financing available Delivery available Trades welcome The 2005 Bobcat 442 is a robust and versatile compact excavator, ideal for tackling demanding construction tasks with precision and efficiency. Boasting a powerful diesel engine, this machine offers exceptional digging force and smooth hydraulic performance, making it perfect for both urban and rural job sites. Its compact design allows for maneuverability in tight spaces, yet it doesn't compromise on stability or lifting capacity. The spacious cab provides excellent visibility and operator comfort, equipped with user-friendly controls to enhance productivity. Durable tracks ensure reliable traction across various terrains, while the advanced hydraulic system supports a wide range of attachments, enhancing its utility. The Bobcat 442 is a testament to durability, performance, and reliability in earthmoving equipment.
