DESCRIPTION/OPTIONS: The CASE CX36B is a compact yet robust mini excavator, designed for efficiency and versatility in tight workspaces. With its powerful 28.4-horsepower engine, the CX36B offers exceptional performance and fuel efficiency, making it ideal for both urban construction and landscaping projects. Its advanced hydraulic system ensures smooth operation and precise control, enhancing productivity and reducing operator fatigue. The spacious cab features ergonomic controls and excellent visibility, ensuring comfort and safety during long hours of operation. Additionally, the CX36B's zero tail swing design allows for enhanced maneuverability in confined areas. Durable and reliable, this mini excavator is built to withstand the demands of challenging work environments, making it a valuable asset for any fleet.
