DESCRIPTION/OPTIONS: The 2023 CAT 303.5 Next Gen is a mini excavator that redefines efficiency and versatility in compact construction equipment. With its robust 23.6 horsepower engine, this machine delivers impressive digging performance and lifting capabilities, perfect for a variety of tasks from landscaping to utility work. Its advanced hydraulic system ensures smooth and precise operation, while the spacious, ergonomically designed cab enhances operator comfort with intuitive controls and excellent visibility. The Next Gen technology integrates seamlessly, offering easy-to-use features like quick coupler systems and tool management. Durable and reliable, the 303.5 is designed to minimize downtime with simplified maintenance. This mini excavator is a powerhouse in a compact package, ideal for maximizing productivity on any job site.
