**DESCRIPTION/OPTIONS:** The 2022 Case 321F is a compact yet robust wheel loader, designed to deliver exceptional performance and versatility on any job site. Equipped with a fuel-efficient Tier 4 Final engine, this machine ensures reduced emissions without compromising power, boasting a potent 74 horsepower. Its compact design allows for superior maneuverability in tight spaces, while the advanced hydrostatic transmission offers smooth and responsive control. The 321F features a spacious, ergonomic cab with excellent visibility, enhancing operator comfort and efficiency during long hours of operation. With a hydraulic quick-coupler, it easily adapts to various attachments, making it perfect for tasks ranging from construction to landscaping. Durable, efficient, and versatile, the Case 321F is engineered to meet the demands of modern work environments.
