DESCRIPTION/OPTIONS: The 2026 TYM T574 Gear is a robust and versatile tractor designed for the modern agricultural enthusiast. Equipped with a powerful four-cylinder diesel engine, it offers an impressive balance of performance and efficiency, ensuring you can tackle any task with confidence. The T574 Gear features a 12x12 synchronized shuttle transmission, providing smooth and precise gear changes that enhance maneuverability across varied terrains. Its ergonomic design for maximum comfort, with intuitive controls and excellent visibility, reducing operator fatigue during long hours in the field. This tractor is perfectly suited for heavy-duty operations, making it an indispensable tool for people seeking reliability and superior functionality.
