DESCRIPTION/OPTIONS: The 2026 TYM T494C is a robust, high-clearance tractor designed for versatility and efficiency in agricultural and landscaping tasks. Powered by a reliable diesel engine, it delivers 48 horsepower, ensuring ample strength for demanding workloads. The elevated chassis provides exceptional ground clearance, ideal for navigating uneven terrains and protecting crops. Its ergonomic operator station features intuitive controls and a comfortable seat, enhancing productivity during long hours in the field. The T494C comes equipped with a synchronized shuttle transmission, offering smooth and precise gear changes. Its advanced hydraulic system supports a variety of attachments, making it adaptable for various applications. With its blend of power, comfort, and adaptability, the TYM T494C is an invaluable partner for modern farming and land management.
