DESCRIPTION/OPTIONS: The 2026 TYM T474C Gear embodies the perfect blend of power and precision for modern agricultural and landscaping tasks. Equipped with a robust 48.3-horsepower diesel engine, this compact yet mighty tractor ensures high efficiency and reliability across diverse terrains. Its user-friendly 12x12 synchronized shuttle transmission provides seamless gear transitions, allowing for smooth operation even in challenging conditions. The T474C Gear features an ergonomic cab with expansive visibility, ensuring comfort and safety during long working hours. Enhanced hydraulics and a versatile 3-point hitch system make it adaptable for various implements, boosting productivity. With its rugged build and advanced technology, the TYM T474C Gear is your trusted partner for tackling demanding workloads with ease and precision.
