DESCRIPTION/OPTIONS: The 2026 TYM T474HC is a versatile and robust compact tractor designed to meet the demands of both hobby farmers and professional landscapers. Equipped with a 48.3-horsepower diesel engine, this model offers exceptional performance and fuel efficiency. The T474HC features a hydrostatic transmission, providing smooth and precise control, ideal for varied terrain and intricate tasks. Its ergonomic operator station ensures comfort during long hours of operation, with an adjustable seat and intuitive controls. The tractor's robust 3-point hitch system and powerful PTO make it compatible with a wide range of implements, enhancing its utility for tasks from plowing to mowing. With its blend of power, efficiency, and user-friendly design, the TYM T474HC is a reliable partner for any agricultural or landscaping project.
