DESCRIPTION/OPTIONS: The 2026 TYM T574HC HC is a robust and versatile compact utility tractor designed for both efficiency and comfort. Powered by a reliable 55-horsepower engine, it offers exceptional performance for a wide range of agricultural tasks. The hydrostatic cab (HC) variant ensures user-friendly operation with smooth, responsive controls, making it ideal for operators of all experience levels. Its spacious, climate-controlled cab provides all-weather comfort, while intuitive instrumentation keeps you informed and in control. Equipped with advanced hydraulics and a three-point hitch, the T574HC HC is ready to handle implements with ease. Rugged tires and a sturdy build ensure durability on any terrain, making it the perfect companion for small to medium-sized farms or estate maintenance.
