DESCRIPTION/OPTIONS: Whether you are mowing lawns, landscaping or working on light construction, Kubota's B01 Series tractors are the ideal tools for the job. The B2601 model offers a wide range of innovative features to provide more comfort and efficiency for the utmost productivity. Kubota's proven hydrostatic transmission provides the B01 Series with smooth shifting and powerful performance for heavy-duty loader applications. With an increased maximum speed and three range shift-speeds (Low/ Med/High). Loader LA435: Remove your front loader in less than 70 seconds, without having to leave the operator platform. Additionally, the standard, flat-faced, no spill 1-lever Quick Coupler enables removal of all 4 hydraulic hoses simultaneously, without the hassle of hydraulic oil spillage. 54" Mower: Attach the mower quickly and with ease. Simply drive the tractor over the mower to position it for fast attachment and detachment
